this accessible guide introduces neuroscience demystifying terminology and language and increasing the knowledge skills and importantly confidence of anyone interested in brain development in early childhood practical and reflective chapters

highlight the multi faceted role of adults as brain builders and encourage the reader to consider how the environment play and interactions are crucially interlinked the book considers cutting edge science and introduces this in an accessible way to look at a range of ways that adults can support children exploring how poverty adversity and social emotional and mental health all influence the developing child the science behind play and why it is so important for young children how we can take ideas from different disciplines such as psychology and anthropology and interweave these with the overarching research of neuroscience why adult interaction both practitioner and parent carer with children is crucial for the developing brain the importance of reflective practice to encourage readers to consider their actions and develop their understanding of important topics raised in the book with a wealth of case studies and reflective practices weaving throughout readers will be encouraged and empowered to pause and consider their own practice little brains matter will be essential reading for anyone interested in early childhood development

this reader s theater script builds fluency through oral reading the creative script captures students interest so they will want to practice and perform included is a fluency lesson and approximate reading levels for the script roles

when molly s birthday is the day before a science test she and her friends find a way to celebrate and study at the same time act out this charming story as the children find a way to study and learn about science while doing fun activities like baking a cake and riding carnival rides this colorful script teaches students that they can apply their studies to fun everyday activities the six roles in this script are written at different reading levels supporting differentiation and english language learner strategies teachers can easily implement these strategies by assigning specific roles to their students in a way that best accommodates readers of all levels all students can participate in this activity helping them gain confidence and feel successful while building fluency an accompanying song and poem about the garden gives readers exciting additional opportunities to engage in the story and build fluency students will also practice other important skills like reading aloud interacting cooperatively and using expressive voices and gestures while performing this story together all of the features in this colorful script make it the perfect tool for a diverse classroom of learners to practice repeated reading and fluency

what did a high school varsity basketball team and a nine year old boy with cancer have to do with each other during the 20102011 season the basketball team encouraged and lifted up the nine year old the nine year old encouraged and lifted up the basketball team this is the story of how a local high school basketball team helped my son patrick through the difficult

chemotherapy he was receiving to treat stage three acute lymphoblastic lymphoma they didnt know anything about patrick other than that he was a big fan when the season started as the season went on all thirteen players began to reach out to patrick eventually he became part of the team their interactions and support gave patrick windows of time when he was not a cancer patient he was a fan and a teammate patrick served as an example to the team that there is more to life than basketball he showed them that life is the big game and that the little things really do matter i think this is a great story and all young athletes should read this it reminds us all that there is always somebody watching you and you are making a difference in their life one way or another dan harwood teacher and basketball coach at magruder high school

life is full of love but it is also full of loss like paper cuts to the heart every big and seemingly insignificant loss the loss of friendships faith dreams health community and everything in between grieves us more than we think it will and often more than we let on why because they matter in this compassionate and deeply personal book rachel marie kang invites you to see and be seen in the midst of your sorrow your suffering your story through prose and poetry that gives voice to all the things we lose along the way this gracious book will help you ponder your loss without judgment remember what was and make meaning of your memories reflect on what is yet to be as you heal with hope you don t have to bury your pain and you don t have to pretend you re over it just because the world thinks you should be let rachel walk hand in hand with you giving space for sorrow and welcoming you as you find your way along the path to healing
